### Group Tour Information

#### **Jupiter Inlet Lighthouse & Museum**

*Lighthouse Park, 500 Captain Armour's Way, (South Beach Road & US Hwy 1).*

For the best view in Palm Beach County, climb the 105 steps to the top of the 156 foot Lighthouse. The Jupiter Inlet Lighthouse, built in 1860, is still an active aid to navigation and offers tower-top tours. Outdoor exhibits include the Tindall Pioneer Homestead and Pennock Plantation Bell. The waterfront Museum in the newly restored WWII Barracks building offers the local history exhibit: *Five Thousand Years on the Loxahatchee*; the museum also features a short video with updated history of the lighthouse. The museum gift shop & Station J Café snack shop are also located in this building. In addition we offer sunset tours, educational programs, weddings, and special events. The Lighthouse is listed on the National Register of Historic Places and is part of the 126-acre Federally designated *Jupiter Inlet Lighthouse Outstanding Natural Area*. This rare designation is one of only three in the United States.

**Hours: Jan-Apr: Open 7 days; May-Dec: Tuesday – Sunday**

**Open 10am-5pm, last lighthouse tour at 4pm. The museum is open until 5 PM.**

Motorcoach parking is available and grounds are ADA compliant.

Lighthouse climbers are required to wear proper footwear (**no high heels**).

**All climbers must be at least 48" tall.** Adults may not carry children up or down the Lighthouse. No purses or bags of any kind are permitted on lighthouse tour.

Visitors may bring a camera without a bag, however, photography is prohibited inside the museum. Tours are approximately 60 minutes long, weather permitting.

**Online classroom exhibit material for teachers in PDF form currently available at [www.jupiterlighthouse.org](http://www.jupiterlighthouse.org) under *Tours & Teachers*.**
