## Commemorative Plaque

It has been Jupiter's silent sentry since 1860, standing tall and beaming its beacon seaward to all who pass. The Jupiter Inlet Lighthouse Commemorative Plaque, located on the deck under the historic banyan tree, honors the U.S. Lighthouse Service Crew who built it and the resourceful Keepers who endured wilderness, wars and storms to keep the Light beaming since 1860.

As a Supporter of our Lighthouse you can personalize an individual marker on the Plaque to honor family and friends or to express what Palm Beach County's oldest landmark means to you.

The Jupiter Inlet Lighthouse has been in service for over 150 years. In celebration, each marker is being offered at \$150!

To order your marker, please fill out the form with your message and mail with a check or credit card information to:
