

Wild & Scenic Film Festival On Tour

Saturday, April 8, 2023 6:00pm—10:00pm

Our Annual Sell-Out Event Returns for a 9th Year!

Dear Local Business Supporter,

We are thrilled to announce that our uniquely popular Wild & Scenic Film Festival On Tour will take place at the Jupiter Inlet Lighthouse & Museum on Saturday, April 8, 2023 from 6:00pm—10:00pm.

The **Wild & Scenic Film Festival** is one of the nation's premiere **environmental and adventure film festivals**. The **Loxahatchee River Historical Society** is thrilled to host this dynamic film festival for **500 guests at the Jupiter Inlet Lighthouse on April 8, 2023**.

These **international short films** are sure to get your **adrenaline pumping, heart thumping, eyes popping, and jaws dropping!** Soul-stirring stories and grand sweeping vistas give us a sense of place and show what it means to be responsible stewards of the earth. They illustrate not only the **challenges facing our planet but the work communities are doing to protect the environment and the places we love**. They capture the **magnetic draw of nature, epic adventures** and the emotional kaleidoscope of the human spirit.

2023 Theme: *CommUNITY*

- Music
- Special Guest Emcee
- Food, Beer, Wine
- *Meet participating environmental organizations and get involved!*

This fun night shines a light on the environment, a cause we care deeply about at the Jupiter Inlet Lighthouse Outstanding Natural Area, and we look for community support. We educate over 100,000 students, residents, and visitors annually and our **event programming raises a future generation of history and nature lovers**.

We look forward to partnering with you to preserve our ***History Shaped By Nature*** at the Jupiter Inlet Lighthouse & Museum!
