5th Annual Wild & Scenic Film Festival

At the Jupiter Inlet Lighthouse & Museum

Join us for the wildly popular 5th Annual Wild & Scenic Film Festival. Its the largest of its kind, showcasing the best and brightest in environmental and adventure films.

These international short films are sure to get your adrenaline pumping, heart thumping, eyes popping and jaws dropping! Soul-stirring stories and grand sweeping vistas give us a sense of place and what it means to be responsible stewards of the earth. They illustrate not only the challenges facing our planet but the work communities are doing to protect the environment and the places we love. They capture the magnetic draw of nature, epic adventures and the emotional kaleidoscope of the human spirit.

The Jupiter Inlet Lighthouse & Museum is proud to join over **230 communities around the globe**, to increase a groundswell of environmental awareness and support through this festival "On Tour."
