

Historic Weddings take place at the base of the steps leading to the 1860 Jupiter Inlet Lighthouse. This beautiful, waterfront setting - complete with gazebo, lush vegetation and sparkling inlet waters - makes this the perfect wedding site. An enormous & dramatic Ficus tree, planted in the 1930s to commemorate the site of the first Lighthouse Keeper's House, provides a beautiful shaded area for guests on the Lighthouse deck. All proceeds from wedding ceremonies benefit the Jupiter Inlet Lighthouse & Museum, operated and administered by the Loxahatchee River Historical Society (LRHS.)

The Lighthouse is part of the 120-acre, federally designated, **Jupiter Inlet Lighthouse Outstanding Natural Area**, a part of the US Department of Interior's National Conservation Lands and is listed on the **National Register of Historic Places**. All wedding activities taking place at the Lighthouse are subject to specific state and national regulations for historic preservation; all wedding arrangements must be approved by the LRHS.

Wedding days and times: Friday or Saturday, at 5:00 pm or 5:30 pm

Rehearsals may also be scheduled at 5:00 or 5:30 pm

Black-out dates: holiday weekends and December 20-January 2 each year

Site planning visit requires an appointment by calling 561-747-8380 x101

Newlyweds receive a complimentary Companion Lighthouse & Museum Membership

Newlyweds or their families and friends may choose to purchase an engraved brick on our "Pathway to History" to commemorate their special date at the Lighthouse.

The beautiful and historic site at the Jupiter Inlet Lighthouse makes for a wedding that is both unique and memorable. The intimate setting and the proximity to the iconic lighthouse provide the bride and groom and their guests a rare wedding experience.
