PRESS ANNOUNCEMENT

Jupiter Inlet Lighthouse Gets a New Coat of Paint - Tower Temporarily Closed for Climbs during Major Painting Project

October 4, 2019 - Jupiter, Florida - The Jupiter Inlet Lighthouse tower will soon be the focus of a team of historic conservationists as the Loxahatchee River Historical Society undertakes a major lighthouse repainting and repair project this fall - just in time for the 160th Anniversary of the world-famous beacon in 2020.

The iconic tower will be closed for climbing from October 21, 2019 until November 15, 2019. Additional closure days may be needed if any work is delayed due to weather. For protection, the rare First Order Fresnel lens, will be wrapped up and “go dark” during this project.

The Lighthouse grounds exhibits including the Tindall Pioneer Homestead and Keepers Workshop as well as the waterfront History Museum will still be accessible during this time.

Admission prices for the Jupiter Inlet Lighthouse & Museum will be reduced to $8 for adults, $6 for seniors and veterans, and $4 for children ages of 6-18 during the repainting period. Lighthouse Members and Active Duty US Military and their families are admitted free of charge.

For updated scheduling information, visit www.jupiterlighthouse.org.
